

# PLEASANTVILLE HIGH SCHOOL

Dear Lunclo,

For

I had a great year in your class and I'm sorry that your leaving. Your class made me take a different look at English and I think that will stay with me for good. I don't think that dedicating a Year Book to you is in anyway enough to repay you for what you have done ~~at~~ for all your students and friends. I think that you made me see myself a little more deeply. My "levity" has ~~kept~~ kept me going strong but later in life it will have to decrease. I wish that there would be no teacher so dedicated as you.

I enjoyed your class and I enjoy your company I hope to ~~to~~ try to get to Maine or at least write. I hope to see you after you have left, on a person to person basis not student to teacher.

Keep ~~busy~~ busy and don't stop  
gain' strong.

Jim D'A

P.S. Please  
don't correct my English  
in this letter 't's  
because it's  
from the  
Heart.

Mr. W. Wend

W. M. Lund

No phrase or clause of words can express what a gifted and beautiful person you are. I love you.

Mr. Lund. I am glad that the roadways of you and the gangsters crossed because I know we benefitted for I can spell ben-efit Tom C

Mr. Lund,  
I cannot tell you how much fun this year has been with you as my teacher. No words can express my thanks for not only my English instruction but for something that I believe I will remember after I have long forgotten what a subordinate clause is! Have a great time and high adventure in the future.  
Thanks again.  
Love,  
Eric

Every Day

Mr. Lund:

I thank you very much for all the wonderful years of love, work, and fun that I have had. I hope to see you back in print in the near future.  
Love,  
John D. Sullivan

Lund,

I have had a good year in your class not that I have had good grades because I haven't, but it was that I learned so much and enjoyed the class so much.

~~I have~~ I have never before this year known a good teacher in the sense of teaching and a friend such as you.

I wish to you sincerely the best of luck in your roads beyond Pleasantville High School. I still I hope you will come back to visit periodically on special occasions such as our graduation.

I hope to come to see you this summer ~~in~~ <sup>at</sup> Lund's Camera during my vacation.

Back to the 1<sup>st</sup> paragraph this year has inspired me to go on trying harder than ever to be something (cont.)

Dear Mr. Lund - When I first came to the high school, all I ever heard about was "Mr. Lund" and how you were the best teacher in the world etc, etc. The first time I saw you, in 9<sup>th</sup> grade, I was terrified of you. When I found out I was going to have you in 10<sup>th</sup> grade, I was positive it was going to be a terrible year. Needless to say I was wrong. You are the best teacher I've ever had, the most interesting, and a great guy. I wish you were staying on for our last year, Pleasantville is going to miss you dearly, and will visit you in the fall. Have a great time in Maine this summer, love

Mr. and Mrs. Thompson  
I am getting so busy that I  
find a spot to write in  
this yearbook. You seem  
like a very popular guy  
and deservedly so. I am  
only now only beginning  
to discover how much I  
enjoyed this year in  
English. A teacher  
and person of your  
quality is not easily  
found. However, what  
I did learn from  
your talks were  
things more important  
Gratitude fills my  
heart

Best always

*In every chapter of our lives, we each find one person who stands far from the maddening crowd. A person, who in his own way, has sparked the imagination of our minds, broadened our horizons and was there when we needed an honest opinion or sound advice.*

*The Class of 1978 believes it has found such an individual fulfilling the above and more. He will be leaving PHS undoubtedly ending a chapter in his life as we are. Thus, as a small tribute we dedicate the 1978 Green Quill to William Lund. We wish him the very best of luck and high adventure.*

Mr. Lund-

well, what can I say... Thanks abt for giving me more  
than I have ever received out of one class. You have

Gaining revenge against Hastings our Panthers suffered only one major defeat to Croton. Pulling together, they convincingly beat all their other opponents. Mark Rookwood achieved the All-County title with his fellow teammates Chuck Nuccio, Kenny Cundari and Nick Salzarulo named to the All-League team. The exceptional 7-1-1 record demonstrated the strength of this fine team.

PHS Field Hockey had a 6-7-2 record this season. For the first time in several years an All-County player was selected from the team, Senior Robin Ferris. As goalkeeper Robin had 139 saves for the year. Team high scorer was Junior Barbara Heim, an All-League honorable mention with seven goals and two assists. Four girls were selected for the All-League team: Meg Wilson, centerhalf, Robin Ferris, goalie, Seniors. Laurie Rockwood, halfback, and Pattie Bianchini, fullback, who are Juniors. We are losing only four Seniors: Mary Casasanta, Amy Brisson, Ali Carroll, and Robin "Legs", "the Bird" Ferris. There is a tremendous team in the wings thanks to some very strong players who will be back next year

# Varsity Volleyball

The girls volleyball team coached by Nina Tallevi had its best season ever. This year they were undefeated in the league and had a 12-2 record overall. The girls went on to the sectionals and beat Blindbrook in the quarterfinals and were beaten by Millbrook in the semifinals who eventually went on to win the Class B Championship. Diane Cropsey, Amy Messinger and Lori Nowicki made All-League and Rian Fulton made Honorable-Mention. Diane Cropsey went on to make All-County and Amy Messinger made Honorable-Mention. Our junior varsity team went all season without losing a game.

The Soccer team had its best season this year with a 5-7-1 record. For the first time in its three-year history, the team went to the Sectionals, but lost a 4-3 thriller to Rhinebeck. Two players, Garv Hicinbothom and Eric Klosz, made All-League, and three others made honorable mention: Ken Harper, Larry Alden, and John Duff. Next year's team led by co-captains Read Jorgenson and Martin Sanda promises to have a good shot at the League title

## Cross-Country

Dedication was the name of the game this fall for PHS Cross Country. "Breakfast Club" 5 mile workouts before school and regular practice in the afternoon were the keys to success. The 5-2 dual meet record, 2nd place finishes in the League and Section, and the Mt. Pleasant Invitational Championship were complimented by Alan Bradford making All-League and by Dave Seegers making both All-League and the Section One State Team. With everyone back from this year's Varsity and some fine J.V. prospects, Coach Geddes expects to win it all next year.

It was  
thank you for doing my paper to  
with all the other ones you have done

Mr. Lund,

Now that I am  
signing this before  
you correct my exam

I hope my grammar  
is excuse I want to

thank you for being such

an influence on my school

next year I hope to get to

see you in Maine. I have

the main problem, I don't have

my own car yet many thanks,

Rev. Bates

the other  
ones I have  
done for you  
I think you will  
get something out  
of them I hope  
it will be of use  
to you in your  
teaching I will be  
a very good way for  
you to get a great  
deal of work done  
I am your friend  
I am your friend

## Join the people who've joined the Army.

Since the end of the draft a lot of young people are discovering a good place to invest their time. The Army.

They've come, over 375,000 strong, for things they may not have found anywhere else. Some came for the job training. Where else can you get your choice of hundreds of good jobs? Some, for the chance to travel. Where else can you get to go almost anywhere in the world?

Some came for the personal challenge. Where else can you get as much responsibility right out of high school? Some, for education. Where else can you get such a good start on college?

(With up to 75% of your tuition and fees paid for while you're in the Army.)

Some came for the financial rewards. Where else can you get a starting salary of \$374 a month (before deductions) and a raise to \$417 in just six months? (Plus free meals, housing, medical and dental care, a 30-day paid vacation every year, and low cost transportation to help you enjoy it.)

And some came for a different kind of reward. Where else can you do a service to yourself while you're being of service to your country?

I am so glad  
to hear from you and  
that you are all well.  
I hope you are all happy  
and healthy. I am  
well at present. I am  
writing to you now.  
I hope you will write  
back soon. I am

My mother groaned,  
my father wept,  
into this dangerous world  
I leapt;  
Helpless, naked,  
piping loud,  
Like a friend  
hid in a cloud.

William Black

Mr. Lund,  
I wish you the  
best of luck to your  
retirement. I learned  
quite a number of things  
in last year's British  
Lit. course. I'd thank  
you very much for teaching  
me that material. Like the  
old saying "It is better to  
have loved and lost than to  
have loved at all."

I really believe we  
are losing the best teacher  
this school ever had & would  
like to thank you for the year  
and wish you the best of luck  
in your life ahead.

Mr. Lund,

I enjoyed your class, and I  
thank you for teaching me  
so much. You were my  
best teacher. I hope you  
do well the rest of your  
life. Bob Kiley

Mr. Lund - It is with sadness that I write this because I know that I will greatly miss you in my remaining two years in high school. But I am thankful that I did have a year in your class. You have inspired me to read, and learn through literature. You have opened my mind to different ways of life and you have passed along your knowledge and wisdom to all of us. Thank you for being the special person that you are.

Love,  
Alicia

Mr. Lund

This year has been wonderful, and you have made it that way. You are a beautiful person, one who has taught me a great deal. I am really going to miss your smiling face. I deeply wish you the best of luck in the near future.

Love,  
Jordan

Mr. Lund,

I am writing to say that this is the first year I have ever enjoyed a class. You are a very pleasant person and a fantastic teacher. I wish you the best of luck with your future plans and hope that I see you again. Stay in good health,

Love,  
Maggie

Mr. Lund,

Thank you for everything you have done for me. I have learned so much from you and I will always remember your lessons. I hope you have a great future and I will miss you a lot!

the future

Love,

Dear Mr Lund,

I am very sorry  
to see you go! I know  
that you usually only  
get one great Professor  
in all your years of  
schooling, and I consider  
myself lucky to have  
gotten mine so early!  
I am also sorry that there  
will not be a surplus from  
our abundance of knowledge  
I hope you can come to  
visit you!

many thanks,  
Fred Thomas

It is a very difficult time  
to say good-bye to a person  
with whom you have had  
such a close friendship.  
I hope you will be  
able to come back soon.  
I will miss you very much.

Mr. Lund,

I hope my grammar will be acceptable. I can not express my thanks in words to a person who is such an influence to ones life. I am glad that I had the opportunity to be in your class, before you left our class. I learned a great deal this year and hope I wasn't to much of a problem. I would enjoy to visit you in Maine. My Uncle has a house in Maine and I may drive there in the end of June. Sincerest thanks! and good luck.

Cheers!

Charles Borg

Dear Mr. Lund,  
I have never learned so much in English until this year. You are a great teacher ~~and~~ a better person to know. I hope to see you leave because I will miss you greatly. Have a great summer and good luck in the future. Thank you for a terrific year!  
Love always  
Cheryl

Dear Mr. Lund,

Even though I was pretty much of a pain to you, I still enjoyed your class alot. I wish you the best of ~~the~~ luck during your retirement. We'll miss you! Love Always,  
D. E. Smith

This is the beginning of a new day  
God has given me this day to use  
as I will.

I can waste it or use it for good  
what I do today is very important  
because I am exchanging a day  
of my life for it.

When tomorrow comes, this day  
will be gone forever, leaving some-  
thing in its place I have traded for it  
I want it to be gain, not loss...

Good, not evil... success, not failure...

In order that I shall not forget  
the price I paid for it.

Mr. Lund,

I have thoroughly enjoyed  
the past few years in your  
classes. You are a dear "Oxford  
Scholar" to me. Thank you for  
making class so enjoyable for  
me. God bless you always.

Affectionately,

Susan Lindway

Dear Mr. Lund,

I would love to write something having some great philosophical meaning but I can't. I just want to tell you that you made all the difference in the world for me in English.

You are a fantastic teacher and a great person to know. I hope that Scott and I will be able to come visit you this summer, with my family. Just listening to you in class has given me many ideas of how to change my attitude toward people and life. Thank you so much!! It has been a real honor knowing you and I hope to keep in touch. See you in Maine!!

Love always,  
Corrie

of worth someday.  
I will write with love.

P.S. Please don't leave without me - give me a piece of pottery for a remembrance.
